## Local Team Playing Good Hockey

## Legionnaires Win Over Claresholm and H. River

**Vulcan 7 — Claresholm 3**  
Vulcan Legionnaires defeated Claresholm Meteors 7-3 in a Foot-hills league hockey game played in Vulcan Arena on Friday, Jan. 23.

The game was very good, keeping the fans on edge right up to the final bell.

Bobby Clayton in the Vulcan nets saved his team time after time, especially in the first period.

### Vulcan 7—High River 6

One of the most thrilling games played in the Vulcan arena for some time was witnessed by a good crowd on Monday, Jan. 26.

Playing against High River Flyers, the Vulcan Legionnaires came from behind after being down 6-2 to win the game 7-6.

The Flyers were a fast, young team and played nice combination at times. The Vulcan team was not quite up to par in the first part of the game but settled down to play smart hockey before the game ended.

## Good Deeds W.I.

## Entertains Families

The Good Deeds W.I. entertained their families and friends at the home of Mrs. Percy Clark on Friday evening. Seven tables were filled for Court Whist, with a number of other players coming in after the hockey game.

First prizes were won by Mrs. G. Urquhart, of Kirkcaldy and Wm. Urquhart. Consolation prizes went to G. Urquhart and Mrs. John Andrews. A lunch of pie and coffee was served by the ladies at the close of the evening.

The February meeting of Good Deeds W.I. has been changed and will now be held at the home of Mrs. P. Clark. The constituency convener, Mrs. Bert Maisey, is expected to address the meeting.

## Clothing Drive

## Will Be Project

The Women's Missionary Society of the Vulcan United Church held its regular monthly meeting at the home of Mrs. Carl Jordan on Jan. 22 with a good attendance. A clothing drive for overseas relief will be a project for the coming month.

The study book "Along African Trails" was ably presented by Mrs. Jordan. A delicious lunch was served at the close of the meeting by the hostess, assisted by Mrs. A. D. Tompkins.

## Weddings of District Interest

### Thompson - Gillanders

A lovely afternoon wedding was solemnized at the High River United Church at 4 o'clock on Jan. 23 when Margaret Gail, only daughter of Mr. and Mrs. Kenneth Gillanders of Mossleigh, was united in marriage with Mr. Ronald Thompson, son of Mr. and Mrs. William Thompson of Arrowwood.

Rev. John Sorocean performed the ceremony at which the bride was given in marriage by her father.

The bride was beautifully attired in a white gown featuring a nylon net skirt over satin and a lace bodice with peler pan collar embroidered with beads and seed pearls. Her illusion net veil was full length and held in place by a beaded headpiece.

The bride's bouquet was white carnations centered with red roses. As jewellery she wore the groom's gift of a gold necklace and earrings set with rhinestones.

Miss Eileen Richardson, the bridesmaid, was lovely in a floor length off the shoulder gown of pink net and satin with matching headpiece. Her nosegay was an arrangement of pink and white carnations. She wore a silver necklace, gift of the bride.

The groomsmen were Ronald Beagle, ushers were Melvin Burgess and Jimmy Gillanders.

The bride's mother was tastefully attired in a navy crepe dress with matching accessories. The groom's mother also wore a navy suit and both wore corsages of red roses.

During the signing of the register Mrs. Stanley Gillanders sang "Wedding Prayer."

Following the ceremony a dinner was served at the Riverside Grill where the bride's table was centered with a three-tiered cake flanked by vases of roses and carnations.

Terrence Oldford, master of ceremonies called upon the bride's uncle, Mr. John Gillanders, to propose a toast to the bride, which was responded to by the groom.

Later in the evening open-house was held at the home of Mr. and Mrs. Cecil Eaton of Mossleigh, followed by a dance at the Mossleigh Community Hall.

For their honeymoon trip to Great Falls the bride donned a gunmetal gabardine suit with light grey accessories, accented by a corsage of red roses.

Upon their return the young couple will be at home to their friends at the groom's farm at Arrowwood.

### Clemmons - Fraser

A wedding of local interest took place in the Calgary North Hill United church on Jan. 24 when Betty Jean Fraser R.N., elder daughter of Mr. and Mrs. Strang Fraser of Cluny became the bride of Albert Robert (Bert) Clemmons, only son of Mr. and Mrs. Miles Clemmons of Milo. Rev. J. S. Pot-triff officiated.

The altar of the church was decorated with ferns and daffodils. Music was played by the church organist.

The bride, who was given in marriage by her father, wore a gown of white, nylon tulle over satin with a jacket and peplum of lace. Her finger tip veil was held in place with a headpiece of rhinestones and she carried a bouquet of white gardenias and red roses. Marile Fraser was her sister's maid of honor. She wore a frock of pink nylon sheer over tulle made off the shoulder style. Her shoulder length veil was held in place with a headpiece to match her frock. She carried a colonial bouquet of pink carnations and red rose buds. The bridesmaids were Shirley Shultz, R.N. of Calgary who wore a green be-gaine frock made in the tiered skirt model, complimented with a tulle headpiece in matching shade. Her bouquet was of variegated pink carnations and red rose buds. Betty Wilkes R.N. of Calgary wore a shrimp satin frock with sleeves of sheer nylon Her headpiece was tulle in matching shade of her frock. The groomsmen were Larry Fleming of Milo while the ushers were Strang Fraser, the bride's brother and Ray Clemmons, the groom's cousin, of Queenstown.

After the wedding a reception was held in the Club banquet room. The bride's table was centered with a three-tiered wedding cake flanked by pink tapers. The tables were decorated with pink and white carnations. Don Martin Calgary, uncle of the bride, was master of ceremonies. Kenny Fraser, the bride's brother, said grace. Larry Fleming proposed the toast to the bride to which the groom responded.

For going away the bride chose a wool dress in shrimp color, topped by a beige coat. Her accessories were green and brown. Her corsage was red roses. After a honeymoon spent at "Destination Not Disclosed" the couple will take up residence on the Clemmons' farm three miles south of Majorville post office.

## U.N. Headquarters Dominates Night Scene

Permanent Headquarters of the United Nations in New York looks like this after dark. Lights from traffic on First Avenue form the band on the right, while the East River is dark on the left. The skyscraper is the Secretariat building and the recently completed General Assembly building is in the center foreground.

## Crop Conditions Were Excellent

## Looking Over the Files ---1952 Was Good Year

Looking back over the 1952 files of the Advocate, the highlights of the year appear to have been the successful harvesting of two crops and the expansion and progress not only of the town of Vulcan, but of all the towns throughout the county. The year 1952 will be remembered as a year of ideal crop conditions, perfect harvesting weather, an open winter right through to the year's end and of general prosperity for farmers and townspeople alike.

## Held at Five Centres

## Over 150 Now Enrolled In First Aid Classes

First aid classes under the auspices of the Civil Defence Committee of the County of Vulcan are proving quite popular, with over 150 persons now enrolled at the five centres.

Dr. E. Szekely is now giving the theory lectures at Brant, Vulcan, Milo and Champion.

Enrollments so far are as follows: Brant 40, Milo 39, Carmangay 29, Champion 21, Vulcan 20. No further enrollments will be taken for these classes after this week.

Chief lecturer is J. Lundy Findlay, who is a qualified instructor for St. John Ambulance Society. Others assisting in the practical work of teaching bandaging, etc., are W. A. Shields, civil defence co-ordinator; R.C.M.P. Constable Pat Moynieux and several others.

Classes are held as follows: Carmangay — Monday; Champion — Tuesday; Brant — Wednesday; Milo — Thursday; Vulcan — Friday. Classes are held at the school at each centre at 8:00 p.m. sharp.

## Ask Negotiation of Teachers' Salaries

A special meeting of the A.T.A. local, called for the purpose of discussing salaries and health insurance, was held recently at the Vulcan school, with 36 County teachers present.

A representative of the National Insurance Co. was present and outlined a group insurance plan, which met with the majority approval of the teachers present. If 60 per cent of the teachers of the County approve the scheme, it will be put into effect.

A motion was passed to notify the County School Committee that the teachers of the County wish to open salary negotiations for the school year 1952-53.

## Lions Club Holds Ladies Night

A supper, program and dance were enjoyed by members of the Vulcan Lions Club and their wives at a "Ladies Night" held in the I.O.O.F. hall last week.

Stories and jokes by Merle Smith, Charlie Andrews interpretation of "It's in the Book," and a sleight-of-hand performance by Dr. A. D. Tompkins made an enjoyable program, which was followed by dancing in the main hall to music by Einar Kumlin.

During the evening, District Governor Stanley Scales and Mrs. Scales were presented with a card table and chairs set, with a presentation on behalf of the members of the local club.

## Present Life Memberships

## Legion Ladies Auxiliary Honors Two Members

The Ladies Auxiliary to the Vulcan Branch No. 21, Canadian Legion, E.E.S.L. honored two of its members at a special service following the regular business meeting Wednesday evening last, in the Legion hall, when Mrs. C. Matlock and Mrs. A. Sales were presented with awards of Life Membership and badges.

The presentation was in the nature of a memorial to the son of Mr. and Mrs. Cecil Matlock, Flt. Sgt. Elmer Matlock, who was posthumously "Missing" in air operations over France, March 8th, 1943, and is now buried at Verdun; and to the son of Mr. and Mrs. Alfred Sales, Rfn. George Sales of the Regina Rifles Regt. who was killed in action, Sept. 12, 1944, in France and is buried in the Canadian Cemetery at Calais.

Rev. J. C. E. Reuss, Chaplain of the Legion branch, made the presentations and paid tribute to the sacrifice of the two local boys and honored their memory in his brief address. Legion president, Carson McKay, Auxiliary president and secretary, Mrs. H. Matlock and Mrs. C. D. Miller respectively and Mrs. John Hunter took part in the ceremony. Husband of the Auxiliary members and Legion members were also present.

## Butterflies and Robins in January

A butterfly that evidently mis-judged its seasons was brought in to the Advocate office last Thursday afternoon by Harry Smith, who caught it in his farmyard west of town. The pretty, yellow-winged insect was quite lively, but we would hesitate to predict that its appearance means an early spring.

This week, there are several reports of robins seen in town—very unusual in January.

## The County Fair

An item in last week's report of the Board of Trade meeting again brings to mind the fact that the Vulcan Lions Club has stepped out of the picture in so far as sponsoring the County Fair is concerned and that unless some definite action is taken very soon there will not be a Vulcan County Fair this year.

At the Board of Trade meeting, a motion was passed "favoring the formation of a county-wide agricultural society with the view that such an organization might sponsor the annual County Fair." The Lions Club originally had this same idea but, when the provincial department of agriculture failed to offer any encouragement, did not proceed with it.

Influencing the Lions decision to drop sponsorship of the fair was the realization that such an undertaking was simply too large in scope to be undertaken by one local organization of limited membership. We think the decision was a sensible one, for the Fair would have to expand and improve considerably in future and the Lions realized that, even with the aid of the Anglican Ladies Guild in handling the suppers and fashion shows, it was getting too big for them to handle.

We think that a properly-organized, county-wide fair association is the only answer to the problem of sponsorship. Despite the department of agriculture's lack of encouragement, we think there are enough interested organizations and individual men and women in the County who, if properly organized, could do a real job of putting the County Fair on a solid basis.

"Someone has to 'get the ball rolling' if such an organization is to be formed in time to sponsor the 1953 fair. If it's the Board of Trade's intention to actively encourage the formation of a fair association we might point out that it's a big task and the winter is quickly slipping away."

## That Parking Problem

Representations by various women's organizations of the district, protesting against the parking situation in Vulcan, prompted the town council to have the business streets marked off for angle parking and to allocate a truck parking area adjacent to the business section of town.

These steps may have helped alleviate the parking problem to some extent, but a far greater improvement in the situation would be obtained if the regulations concerning parking were enforced. As far as can be seen, no attempt has been made to enforce the regulations, particularly the one prohibiting the parking in the business area of trucks over a certain size. If this regulation is enforced, the designated truck parking area will prove totally inadequate. If this regulation is not enforced, the present parking congestion on Saturdays will continue.

We think the whole matter has been treated too lightly by the town council. A sincere attempt to solve or at least ease the problem should be made without further delay.

## Old Things Best?

The Russian satirical periodical Krokodil recently pictured a cartoon of a typical American State Department accountant. We forget the caption—it wasn't worth remembering anyway. What did strike us however was that the "typical American accountant" was doing his calculations on a child's bead frame which, after much research, we've discovered is technically known as an abacus. There was no intended satire in this—it was just Krokodil's idea of how the well-equipped accountant works.

We were amused to find the Russians thinking that Western accountancy had advanced no further than doing its sums on a bead frame and we prepared ourselves to write a satirical on the subject.

Then the joke boomeranged on us. We found that the abacus is an extremely accurate instrument in skilled hands and is used extensively in banking circles in the Far East.

In Tokyo, in 1947, the American forces arranged a contest between a Japanese clerk at an abacus and the Americans' most proficient user of the calculating machine. The result was that, although at various stages of the contest the machine showed itself more speedy, the final victory went to the Japanese and the abacus.

An American and a Russian were discussing democracy and communism and the American said: "In America we have freedom. A man can go right up to the steps of the Capital and call President Eisenhower a stinker."

The Russian retorted: "We have equal freedom in Russia. A man can go right up to the steps of the Kremlin and call President Eisenhower a stinker too!"

For anyone interested in purchasing a new used car we offer the startling bargain in the following—  
A 1950 Ford coach—price \$500.00—\$500.00. Of course there is a few accessories which will be additional, such as the motor and the doors and so on. Even so it is a very fine car with only 18,000 miles on it and new tubeless tires. It carries a new car warranty.

The first sign of a little boy growing up comes when he refuses to be seen in the ladies' rest room.

Our service department is the best equipped and best manned in town. We can handle any automotive problem—from bumper to bumper—motor - body - glass - steering.

A lady wrote a large mail order house inquiring about the price of toilet tissue. In due

time she received a reply: "Please refer to page 410 of our large catalog."

She immediately replied: "If I had 410 pages of your catalog I wouldn't be writing you."

• Awhile ago, we sold a 1950 Austin. There was such a demand for this little car and the man who bought it was so pleased with it that when a chance came to buy another (this one is a 48) we grabbed it and now offer it for sale at a very reasonable price. In the vintage class of vehicles we have the following:

- 1928 Chevrolet and crank
- 1929 Nash and crank
- 1938 Ford 1-Ton—no crank

• Incidentally—if you have a collision this winter, come around and tell us all about it. We have had seven years' experience at being a sympathetic listener to troubles such as this—and on top of that—we can do a darn'd good job of repairing the damage.

### Wisdom!

At the entrance to a certain mid-western town there stands this conspicuous sign:  
5,104 persons died of gas last year.  
44 inhaled it.  
60 set fire to it.  
5,000 stepped on it!

## Milo News

Last week after curling until nine o'clock, I came home and started writing on the news column, preparing what I fondly hoped would be interesting reading for you folks. Then bright and early Tuesday morning I sent it to Calgary with my good man so that it would be sure and reach the Advocate office in time for publication. So what happens? No he did not bring it home, just as far as High River anyone that is the explanation of the missing column from Milo. Now this week there is really very little to say because with all this curling no one else does anything else.

There are a few sicknesses to take note of, however. Hulder Thompson has been confined in the Vulcan hospital again with another seige of flu. Marilyn McCord is also in the Vulcan hospital with an attack of pleurisy. Aubrey Gore was taken ill on the ice at Claresholm where he was curling in a bonspiel. He was taken to a hospital in Calgary where he spent a few days but is out and around again. Mrs. Anne Smith was ill for several days while out on the farm by herself. She finally had Bob Umscheid take her to the Corner Store where she caught a bus to Calgary where she could be cared for. A speedy recovery is wished all those afore mentioned and we hope to see them up and around again soon.

Mrs. Billy Sukut and small son Blahne have been spending some time with the former's sister, Gene Peterson and family at High River.

There was an installation of officers of the Milo Rebekahs last week. An installing team was over from Vulcan for the ceremony. The new officers are as follows: Mrs. Glen Dishaw, Past Noble Grand; Vi Carson, Noble Grand; Rita Black, Vice Grand; Muriel McCord, Treasurer; Eva Ivers, financial secretary. A pleasant lunch was served after the installation.

Miss Alda Lewis spent some time at the home of Mrs. Lewis Ivers over the weekend. She even got in some curling and probably saw more friends and acquaintances while on the ice than she would have been able to by spending a lot more time in town.

Mossleigh held their annual men's bonspiel last week and several teams went over from Milo. One team at least upheld Milo's glorious curling reputation by bringing home two prizes. The team consisting of Hap Heather as skip with Ian Thomson, Donald and David Deltz took second prize in both the first and second events. Wouldn't you think that they could get first in at least one of them.

While we are on the subject of curling we might as well get it all over and tell you that the Milo men's bonspiel is on now. By the time this is printed it will be all over, but anyway it started on Monday with 34 rinks and is planned to run four days if the ice and weather hold.

The annual meeting of the Milo Rural Electrification Company was held last Monday. A new portion of the Board of Directors was elected consisting of Ole Ueland, Jack Deltz and John Bartsch.

Commercial fishing on Lake McGregor ends on Tuesday, Jan. 18. The season has been reasonably short this year which means that the catch must have been good each day, to have the quota out so soon. They haven't even had too bad weather for their activities.

There were communion services and christenings in the United Church last Sunday with Rev. Clark officiating. The son of Mr. and Mrs. Len Northcott, the son of Mr. and Mrs. Floyd Armstrong, and the daughter of Mr. and Mrs. Coffey were those participating in the christenings. The services were very well attended.

Three more classrooms in the new Milo school are occupied now. Mr. Don Koop took his class into their new premises as did Mr. Tom Clarke and Miss Ruth Hannan. The upstairs rooms are all being

used now and work is going forward quickly on the two downstairs classrooms and the auditorium.

Now it is well known that to a superstitious person the carrying of a rabbit's foot is a must. Allan Phillips of Arrowwood came to Milo for the men's bonspiel and he must have thought that he needed an awful lot of luck because he didn't just bring a rabbit's foot in to the rink but a whole live rabbit. Haven't heard how he made out when he finished his game.

Here is a verse that should have been included in the Christmas edition. She stood beneath the mistletoe. His schoolmate's pretty sister He bent; but lo He stubbed his toe And holy smoke he missed her.

### Armada News

Mrs. H. Birkeness has returned to her home in the district after spending a short visit with relatives in Calgary.

Miss Iva Bennett of Red Deer arrived home last week to spend a three week vacation with her mother, Mrs. Nina Bennett.

Mr. and Mrs. W. Marks and family motored to Calgary last Sunday. They were accompanied by Mrs. T. Marks and their daughter, Doreen who returned to Mount Royal College.

Mr. and Mrs. S. Bohnet and Eryan spent the weekend visiting relatives in Lethbridge.

Mr. and Mrs. D. Paulson and Murray remained in Claresholm to visit with relatives.

Mr. and Mrs. G. Craine of Calgary have spent the past week visiting their son-in-law and daughter, Mr. and Mrs. G. Stokes. They have also been visiting their son and daughter-in-law, Mr. and Mrs. H. Craine.

Tommy Marks who was confined to the Vulcan hospital has now returned home.

Friends of V. Williams will be

pleased to learn that he has been released from the hospital after being confined to his bed for nearly a month.

We also have good news concerning Bob Birkeness who had his legs injured in an accident where he was employed in Trail, B.C. Latest reports are that he is able to be up and get around on crutches. We wish him a speedy recovery.

Congratulations are being extended to Mr. and Mrs. W. Stewart of Vulcan on the birth of a son, 8 lbs. 15 oz. on Jan. 18 in the Vulcan hospital.

Mr. and Mrs. S. Chambers and Mr. and Mrs. S. Marks spent Thursday and Friday in Calgary. Irvin Bennett, and several passengers had a narrow escape last Tuesday while pulling their nets on the lake. They apparently hit one of those treacherous breakers, but were able to stop in time. Some damage was done to the truck but everyone was happy it was not any worse than it was.

We regret to report that Rickie Stokes, son of Mr. and Mrs. F. Stokes became very ill in school last Friday and was rushed to the Vulcan hospital that same evening. Best wishes for a rapid recovery is extended to him.

Don't forget the Rummage Sale to be held on Jan. 31 at 1 p.m. in the Armada Community Hall. Many worthwhile items will be auctioned so be there to put your bid in. Lunch will be sold and all funds go toward building our new Armada Memorial Centre. Just a reminder to all who have anything they care to donate, we would appreciate it very much if all articles are at the hall before 1 p.m. so the sale will not be delayed.

Another reminder also. Don't forget the Hard Time Dance on Feb. 13 in the Armada hall. Everyone is welcome.

Nine tables of bridge and court whist were played at the Legion Card Party last Saturday night. Perhaps the weather had something to do with such a good turnout. The high whist scores were won by Mr. and Mrs. E. Anderson of Milo while consolation prizes went to Mrs. S. Bohnet and Mr. Vic Birkeness. Those having high

ladies and high gent's scores in bridge were Mrs. C. Tuttle and S. Henrickson. Low bridge scores for the evening were held by Mrs. A. West and C. Stokes—both grand winners in bridge at the last card party. As one citizen said and asked me to put in the Armada news column "four of the best bridge players in Armada, mainly Mr. C. Stokes, Mrs. A. West, Mrs. S. Henrickson and Mr. I. Magnuson, were each skunked at one bridge table that night and all landed at the bottom table together to play the last game. They called themselves 'The Four Skunks'." A delicious lunch was then served to bring an enjoyable evening to a close.

Mr. and Mrs. C. Stokes motored to Calgary on Sunday to visit their son-in-law and daughter, Mr. and Mrs. B. Gilday and also to attend the Ice Cycles of 1953.

Jess Matlock is in Calgary attending the Institute of Technology.

The "Criterion", the Champion High School paper was published and offered for sale on Friday, Jan. 23. Miss Irene Bonetti, former editor-in-chief, and her assistant, Miss Arden Gardiner, have resigned owing to the lack of time. They are completing their grade 12 studies this year. Miss Charlotte Jordan and Miss Marguerite Anderson are the new editor-in-chief and assistant.

The sympathy of the town and district is extended to Bill Christensen, whose brother passed away very suddenly at his home at Strathmore on Friday, Jan. 23. Mr. and Mrs. Howerton spent Sunday in Calgary visiting with Mrs. Howerton's parents, Mr. and Mrs. Lent and Mr. Howerton's brother and sister-in-law, Mr. and Mrs. Homer Howerton.

Mr. and Mrs. Walter Smith and girls of Calgary were weekend visitors at the home of Mrs. Emily Fraser. Tino Pasoli is attending the Institute of Technology for several weeks. Mr. and Mrs. Russell Hegland were Lethbridge visitors Saturday. Mr. and Mrs. Albert Buehler of Vulcan were Sunday visitors at the home of Mr. and Mrs. John Buehler.

The January meeting of the Amity Club was held on January 21 at the home of Mrs. Pasoli, with 17 members and three visitors present. Election of officers for 1953 took place at this meeting and the following is the new slate: President, Mrs. Bess Siler; Vice-president, Mrs. Jim Ellis; Secretary, Mrs. John Carlson; Treasurer, Mrs. Esther Lebsack; Gift Committee, Mrs. Ted Hames and Mrs. Steve Cowling. At the close of the short meeting lunch was served by the hostess assisted by her daughter, Mrs. Emil Englehart. The next meeting will be at the home of Mrs. Bess Siler.

Recent visitors at the home of Mr. and Mrs. John Buehler were Mr. and Mrs. Fred Schlotz of Claresholm and Mr. and Mrs. Fred Heap of Milk River.

Mrs. Root of Coleman has been in town visiting with relatives and friends.

Mr. and Mrs. Bert Ruggles were recent visitors in town and district. Mrs. Archie Ruggles was honored on the occasion of her birthday, on Saturday night at the home of her son and daughter-in-law, Mr. and Mrs. Dorn Ruggles when a large group of relatives and friends gathered to wish her many more happy anniversaries.

Mr. and Mrs. J. G. Martin and family of Brooks spent Sunday at the home of Mrs. Martin's brother-in-law and sister, Mr. and Mrs. Muri Jones.

Mr. and Mrs. Harry Ruggles of Three Hills were weekend visitors at the home of Mr. and Mrs. J. A. Ruggles.

Mr. and Mrs. Robert Long and Mr. and Mrs. Allan McLean attended the curling dance at Lomond on Friday evening of last week.

Mr. and Mrs. George Ellis and Mr. and Mrs. George Hummel spent several days in Great Falls, this week.

Mrs. Mae Todd, Miss Elsie Gordon, Mrs. Bob McPherson, Mrs. Sande, Mr. Martin Hoyt and Mr. Bessette were among the teachers attending the meeting of the Vulcan local of the A.T.A. held in Vulcan last Wednesday. Health plans for County teachers was the topic of discussion at this meeting.

Mr. and Mrs. D. Stewart and small son Gary and Miss Margaret Miller all of Lethbridge were Sunday visitors at the home of Mr. and Mrs. Cliff Miller.

Mrs. John Schauerman is visiting in Calgary at the home of her son-in-law and daughter, Mr. and Mrs. Jim Southworth.

George Smith and Harry Smith were visitors in Calgary on Monday of this week.

Mr. and Mrs. George Hartung and family were Calgary visitors on Saturday of last week.

The monthly meeting of the Altar Society was held at the home of Mrs. Harvey Fath on Thursday, Jan. 22 with 12 members present. The following is the result of the election of officers which took place at this meeting: President, Mrs. Raymond Fath; Vice-president, Mrs. M. Beingsner; Secretary-treasurer, Mrs. Wilbur Matlock. It was decided the Society would alternate with the W. A. in serving Lion's suppers. It was also decided to hold the meetings in the evenings after this. A delicious lunch was served at the close of the afternoon. The next meeting will be at the home of Mrs. Wilbur Matlock, on Thursday, Feb. 27.

Mr. and Mrs. Henry Hilz were dinner hosts on Sunday, when covers were laid for 15 guests.

Mr. and Mrs. A. Schmidt, Mr. and Mrs. Alec Hartung and Mr. George Hartung were Lethbridge visitors on Tuesday of last week.

Mr. and Mrs. Jake Fritzler were

Calgary visitors on Thursday of last week.

Mrs. Ed Selland was a recent visitor in the town and district. Miss Gwen Lawson of Vulcan is spending her holidays at her home in Champion.

**United Church Meeting**

At the annual congregational meeting of the Champion United Church held on Wednesday, Jan. 21, reports were received from the various departments of the church with all showing surplus funds and increased activities. Mrs. John Carlson has taken over the Cradle Roll, a new department of the Sunday School. The C.G.I.T. has been reorganized under the leadership of Mrs. L. W. Christensen, and Mrs. Fred Cartwright, and the Trail Rangers with Fred Cartwright as director.

Mr. Dawson said in his report that there had been 10 funerals, 5 weddings, 29 baptisms, and an increase in church membership of 15 in his pastoral charge. The weekly adult Bible classes conducted at Champion and Carmangay had proved interesting.

The following were elected to the Board of Stewards: Messrs. T. P. Carlson, Muri Jones, Alvie Bjornson, Fred Cartwright, Wm. Christensen, Glenn Racher, E. A. Hames, Mrs. E. Nowlin and Mrs. W. J. Sanderson. Mrs. Dawson was re-elected as secretary-treasurer.

At the close of the meeting the Woman's Association served lunch.

**With The  
District Agriculturist**

Hugh Michael

**Variability in Wild Oats**

The following information written by Dr. W. G. Corns was taken from the Press-Bulletin published annually by the Department of Plant Science of the University of Alberta.

"It is commonly stated that wild oats cause the Western farmer more losses than does any other weed. The reasons are well known. Early shattering, delayed and irregular germination, lengthy persistence of viable weeds in the soil, variable growth behavior depending on the weather and type of cultivation often make the problem of eradication extremely difficult. The more we can learn about the variability in wild oats, the better chance there will be to develop sound control practices."

An experiment was started at the University during the past summer to determine how wild oats collected from different parts of the province would grow when planted under one set of conditions in Edmonton. Samples of grain containing wild oats from the 1951 crop were available co-operation of the District Agriculturists and Field Supervisors. In order to keep the experiment from being too big to handle, only dark black seeds were used. These in turn were sorted into lots of small and large kernels from 9 places: Drumheller, Didsbury, Lacombe, Edmonton, Wainwright, Moon Lake, Evansburg, Athabasca and Berwyn and planted in mid-May at Edmonton. Records showing germination, tillering, rate of heading, etc. were taken until late August.

There is no need to discuss details here, but it is interesting to note that depending on source of seed, germination ranged from a low as 20 percent to as high as 60 percent. Large seeds germinated better than small ones from the same place. There was no real difference in the number of tillers produced on a plant, but there was a very significant difference in the time of appearance of heads or panicles on plants that had come up at the same time. That is to say some were earlier than others.

These results are not surprising since nearly everyone familiar with wild oats has observed variability in them. This experimental evidence however, does emphasize still further the importance of the problem and indicates how even greater variability could be expected when all the different kinds of wild oat kernels are considered under all the different conditions found in Alberta."

This discussion will be continued next week and will deal with work done by Dr. W. G. Corns regarding the possibilities for wild oat control by chemicals.

**The 1953 Grasshopper Forecast  
For Southern Alberta**

The grasshopper survey completed by the entomologists of the Field Crop Insect Laboratory showed a lack of economic infestations of grasshoppers in central and southern Alberta. For this reason they do not expect to issue a final forecast map for 1953 as has been done in the past. Economic populations of grasshoppers existed in several areas but despite the unusually favorable

fall weather egg deposition remained minimal. Three areas of sub-light infestation are worthy of mention; not only because they contained relatively greater numbers of adult grasshoppers this year than did the rest of the province, but also because the eggs which they deposited represent a potential nucleus capable of producing economic infestations under favorable weather conditions in 1953.

One of these areas is located in the Drumheller-Musson-Craigville district. The two-striped grasshopper is the dominant species. Eggs were laid in quite large numbers in small isolated and widely scattered points along the roadsides. Actual numbers of eggs in such concentration points rated in the 'severe' category of infestation. However, due to their small size and scattered occurrence the general area cannot be rated as more than sub-light.

The area lying between Carmangay and Claresholm has been delimited and placed in the sublight category of infestation. A third area, south of Foremost has a similar infestation. The stubble grasshopper is the dominant species in both of these areas. 'Light' infestations of adults failed to produce economic numbers of eggs over the whole area. Small egg infestations may be found but these are too localized and scattered to be placed on a forecast map and be of significance.

It is anticipated that some chemical control, on a limited scale may be required by individual farmers in these areas, especially if the spring is dry and growing conditions are not too favorable.

**WORLD'S WHEAT CHAMPION**

If proof were needed of the value of the 4-H Club movement among Canadian boys and girls it could well be found in the junior grain clubs of the Drumheller district of Alberta. It is becoming almost commonplace for one of the club members to be crowned World's Wheat Champion at the Toronto Royal Winter Fair.

This year it was 19 year old Ronald Leonhardt of the Drumheller 4-H Wheat Club who took the coveted title with his sample

## Carmangay

Mrs. J. Koreth and children spent a few days visiting at the home of Mr. and Mrs. R. Beirsto in Barons.

Mr. and Mrs. Gus Greene and family from Calgary were in Carmangay, this weekend visiting relatives.

Mrs. Anna Lund was released from the local hospital on Monday and will be staying at the home of Mr. and Mrs. Ed Watwood.

Mr. and Mrs. Rudy Hubka spent Friday in Calgary.

Congratulations to Mr. and Mrs. Roy McLeod on the birth of a daughter on Jan. 25 in the Galt hospital in Lethbridge.

Mrs. E. Sisson from Calgary was a visitor on Saturday at the home of Mr. and Mrs. F. Bonner.

A carload of people from Carmangay attended the meeting in Champion to hear Rev. Douglas Dawson, a missionary for four years in Japan. Rev. Dawson gave a very interesting and enlightening talk of conditions in Japan.

Mrs. Sid Thompson, Wallace Miller, Plenny and Don Brownell attended a meeting of Club leaders in Lethbridge.

### Lions Charter Night

Carmangay Lions Charter Night was held on January 21 in the community hall. About 75 people attended the banquet. They were entertained during the evening with numbers from the High School orchestra, two piano solos by Bill Bach, a solo from Mrs. Dehner Shearer and a community singing led by Ken Miller.

District Governor Stan Scales from Vulcan gave a report on the convention at Mexico City.

There were visitors from Champion, Barons, Vulcan, Taber and Lethbridge. The evening concluded with dancing.

### West Club

Ladies of the West Club met at the home of Mrs. Loren Roemelle. Koli call was answered by naming the recent book read. Raffle was won by Mrs. Roemelle Sr. Mrs. Alice Knight was in charge of the program. Mrs. Knight gave a review on her book most recently read.

Mrs. G. McGinnis and Mrs. D. Clark organized a skating party on Friday evening. There were about 100 old and young people gathered at seven on the river north of Dale Clark's. Hot dogs, marshmallows were served around a campfire about nine. Everyone had a wonderful time.

The ladies entertained their families at Burwash school on Sunday evening with a Pot Luck supper. Program was arranged by Mrs. Bob Hubka and Mrs. G. Davis which consisted of games and contests for young and old. Next meeting is to be held at Mrs. Simons.

A large group turned out to see the films shown on Friday, Jan. 23. Mr. Sid Thompson gave a report on the Wheat Pool convention.

Leslie Hubka is a patient in the local hospital this week.

Mr. and Mrs. Allan McLean attended the Winnipeg Ballet performance in Lethbridge.

### Anglican Board Meeting

The Anglican Board meeting was held on Sunday afternoon. Seventeen members were present. Members of the board are Jim Lee, People's Warden; Mr. Whitmarsh, Minister's Warden; Vestrymen: Ken Blockson, Eric Collier, Lee Baldwin, Arthur Baldwin, Bob Gardiner and Bill Sparks.

Tea was served at the home of Mr. and Mrs. W. Sparks which was served by the ladies of the Guild.

### Bonspiel in Medicine Hat

Those attending the bonspiel at Medicine Hat are J. Hubka, Bud Moore, Orvil Smith, Roy Crowe. Don Bond went also but is on a Lethbridge rink.

### United Board Meeting

United Church Board meeting was held on Thursday evening, Jan. 22. Approximately 35 members met. The regular business meeting was carried on. The following were elected on the Board of Stewards: Mr. and Mrs. Roy Craig, Sid Thompson, Ken Miller, Mr. W. Miller and Grace Hillard. Mrs. Vilas Teskey is to be secretary. Treasurer, Mrs. Rena Brown is envelope steward and Pat Nugent is Sunday School superintendent. All departments reported a successful year. A delicious lunch was served.

### Missionary Meeting

The regular missionary meeting was held in the home of Mrs. Andy Schaffer on Tuesday, Jan. 20. Nine members were present. The afternoon was spent preparing bandages for Leprosy Colonies and mending clothes.

A very tasty lunch was served. The next meeting will be held at the home of Mrs. Bill Gray.

## Recommended Spring Wheat Varieties

(Lethbridge Exp. Station)

Recently developed and recommended spring wheat varieties are tested every year on the southern Alberta district experiment stations, other private farms, and the Lethbridge Experimental Station. The results from these tests are used when making any changes in the recommendations for the different zones in southern Alberta.

The spring wheat varieties recommended for Zone 1 the south eastern part of Alberta, are Thatcher, Chinook and Rescue. The average yields for 5 years from 5 stations for these varieties are 21.6, 20.1 and 19.4 bushels per acre respectively. The average bushel weights are Chinook 60.7, Rescue 59.3, Thatcher 57.1 pounds. Chinook and Rescue are resistant to wheat stem sawfly but Thatcher is not resistant to this insect pest. Thatcher has a stronger straw and therefore is more resistant to lodging. Chinook and Thatcher are eligible for Grade 1 Nor-

thern, but Rescue is eligible for no higher than Grade 3 Nor-, because of lower baking and milling qualities. The 3 varieties grow to about the same height and mature about the same time with Chinook slightly earlier than Rescue and Thatcher.

For Zone 2A and 2C, including Lethbridge and High River, Thatcher and Rescue are recommended. The average yields for these zones in bushels per acre are: Thatcher 36.0, and Rescue 33.6.

For Zone 3A, the western wheat growing area of southern Alberta taking in the Cardston and Pincher Creek areas, Thatcher and Saunders are recommended. Saunders is about 2 days earlier maturing than Thatcher but it does not grow as tall as Thatcher. The yields of these 2 varieties are about equal in this zone.

The 1953 edition of the publication "Varieties of Grain for Alberta" should be ready for distribution shortly. In this publication

there is a map of Alberta which is divided into zones. The recommended varieties of wheat, oats, barley, flax, and rye are listed for these zones. There is also a short discussion on each variety listed. The 1953 edition of "Varieties of Grain for Alberta" may be obtained from your district agriculturalist or from the Lethbridge Experimental Station as soon as it is released for distribution.

## Wheat Pool Reserve Payment

Last weekend the Alberta Wheat Pool mailed 15,000 cheques to the total value of \$1,161,000 to complete the redemption of reserves contributed by Pool members in the 1923-28 period.

In that period the original Pool members contributed \$8,400,000 through deduction on wheat delivered to the Pool to provide money to build elevators and to provide working capital for their organization. The original plan was to continue to take such deductions so that the early contributors could be paid out by later contributions. Financial difficulties over 20 years ago prevented the plan from being carried out.

Since 1942 a proportion of Pool

elevator earnings has been allocated to the redeeming of a percentage of the original reserves each year. With the present payment the entire \$8.4 million of reserves will be completely cleaned up.

The reserves redeemed by the Wheat Pool are redistributed to members in the form of patronage dividends. Such are paid partly in cash and partly in reserves. At the present time these patronage dividend reserves are not being redeemed except in cases of estates of deceased members. Some \$3,000,000 has been allocated to redeem patronage dividend reserves in such estates and this money will be distributed during the month of March.

During 1952 the Canadian Pacific Railway will spend \$62,000,000 for new equipment.

One of the best ways of overcoming the general lack of protein in the diet of the people of the Far East is by increasing the production and consumption of fish. In Thailand, for example, an expert of the Food and Agriculture Organization of the United Nations (FAO), is training and assisting local technicians to improve and develop their country's fish resources. This Javanese scene shows time-honored fish-breeding practices in Tjini pond by local fishermen.

### Facts About The Wireworm

**DISTRIBUTION:** Occurs throughout North America.  
**DESCRIPTION:** The newly hatched wireworm or larva is white with dark jaws and has 3 pairs of legs. It becomes golden yellow or brown and grows to 1/2 inch in length. The winged adult beetle is black (some species are brownish or greyish) and about 1/2 inch long. It is known as a "click beetle" or "snapping beetle" because of its habit of snapping the forepart of its body when placed on its back.  
**LIFE HISTORY:** Adults generally emerge from the soil in early spring. Female beetles, after wandering over the fields, return into the soil. Each female lays about 300 eggs during May and June. Depending upon soil firmness, temperature and moisture, the eggs are deposited at any depth from just below the surface to 5 to 6 inches deep. The eggs soon hatch and the wireworms feed on seeds, germinating grain and the roots and stems of grains and grasses. The wireworms remain in the soil from 4 to 10 years before pupating in late summer. The pupae soon become adult beetles, which remain in cells until the following spring when they burrow out of the soil.

### ARROWWOOD

We are sorry to hear of the death in Calgary of Mrs. J. Sheeran, formerly of Arrowwood. She is survived by her husband and four children, all of Calgary.

Mr. and Mrs. Fred Miller attended the Junior Wheat Club Convention and Banquet held in Calgary on Wednesday.

Arrowwood rinks did quite well in the Mossleigh Bonsel last week. Jack Roberts' rink won the coffee tables, Don Beagle's rink won pictures, and Dick Oldfield's rink won hams.

Mrs. F. Burgess of Vulcan was a visitor at the home of her mother, Mrs. J. Ward Sr., last week.

Mr. and Mrs. Willams were Sunday visitors at the home of Mr. and Mrs. G. Wert of Calgary.

Johnny Beagle of Calgary spent the weekend visiting with his parents, Mr. and Mrs. Jay Beagle.

The regular meeting of the F.W.U.A. was held at the U.F.A. hall on Jan. 21 and took the form of a Pot Luck Dinner. The meeting opened by repeating the Farm Woman's Creed. Roll call was answered by 10 members and three visitors. The meeting was very brief because guest speakers were coming. A committee of Mrs. Oldfield, Mrs. M. House, Mrs. Leigh Williams was appointed to arrange to have a show of local pictures to raise money to pay for repairs on the hall. Mr. McQueen, secretary of the County, and Mr. Carlson, chairman of the hospital board, came to speak on Hospitalization in the County. There was a large crowd for this part of the meeting and many questions were answered. Lunch was served afterward.

The Arrowwood Cubs had a skating party last Thursday and entertained the Brownies and their leaders, after which lunch was served.

A number of Arrowwood people journeyed to Calgary on Monday to attend the funeral of Mr. John Mason, 82. Mr. Mason moved to Arrowwood in 1918 and lived here until four years ago, when he moved to Bassano. Funeral services were held at Jacques funeral home at 2:15 p.m. with burial in Queen's Park cemetery. Pallbearers were Dick Oldfield, A. Brown, J. Irwin, P. Irwin, D. Beagle and F. Burger.

Congratulations to Mr. and Mrs. Ronny Thompson who were married Jan. 23 in High River. They are now on a honeymoon and on their return will reside near Arrowwood.

Little Donny Dumka had the misfortune of falling into a china cupboard in his home and sustained head injuries which required 17 stitches.

Elizabeth Brown is home after having her tonsils removed in the Vulcan hospital.

Congratulations to Mr. and Mrs. L. Salkeld on the birth of a daughter, Jan. 20 in Vulcan hospital.

Mr. and Mrs. M. Magnusson of Armada were Sunday visitors at the home of Mr. and Mrs. Pete Brown.

We are sorry to hear that Margaret Blackie is in the Vulcan hospital.

The Arrowwood F.W.U.A. sponsored a shower for Mrs. Ken Watson in the F.U.A. hall last Friday. A large crowd attended and Fanny received many lovely gifts. Entertainment included a tap dance number by 8 girls from the school, accompanied by their teacher, Miss Amy. A piano duet by Misses Eleanor House and Danelle Williams was also enjoyed, after which a contest took place and lunch was served.

Mr. and Mrs. Ted Foss of Calgary and Mr. and Mrs. Alvin Helm of Torrington were weekend visitors at the home of Mr. and Mrs. Ray Helm.

Ted Burger and Bob DeWitt have returned home after visiting and travelling in California for the past six weeks.

Mr. and Mrs. Terrance Oldford, of Red Deer, were weekend visitors at the home of Mr. and Mrs. Wm. Thompson. They motored down on Thursday to attend the wedding of Mrs. Oldford's brother, Ronny Thompson.

A bit of excitement took place at the curling rink last week, when a perfect end was made by Ben Williams' rink against the Dick Oldfield rink.

Bill Ish is taking a course in electric wiring in Calgary this week.

Mr. and Mrs. John Irwin spent last weekend visiting with Mr. and Mrs. Harry McCullough of Black

### MOSSLEIGH

A large crowd attended a very pretty shower held in the church, for Gail Gillanders. The afternoon was spent making a bride's book, which was presented to the bride and a few musical numbers were rendered. Gail was assisted in opening her gifts by Irene Richardson and Edna Brown. Lunch was served by the Ladies' Community Club and the girls from the Stu-

dent's Union. They wish to thank the Arrowwood ladies for their share of the lunch.

Twilight service will be held in the church on Feb. 1 at 8 p.m.

### Mossleigh Bonsel

The annual bonsel at Mossleigh concluded on Sunday, Jan. 18 after a whole week of curling, with the following winners:

**First Event**  
1st, Ted Seiney, J. Rockyfellow, J. Seiney, Grant Ray, Elackie.  
2nd, Ian Thompson, Hap Heather, Donald Dietz, David Dietz, Milo.  
3rd, Jack Roberts, A. Phillips, R. Campbell, D. Dumka, Arrowwood.  
4th, B. Fields, B. Dawson, C. Eaton, Geo. Mace, Carlsland.

**Second Event**  
1st, R. Fath, M. Smith, K. Groves, A. Dunipace, Champion.  
2nd, Ian Thompson, Hap Heather, Donald Dietz, David Dietz, Milo.

3rd, B. Banks, B. Willard, Geo. Fulton, H. Johnston, Vulcan.  
4th, Don Beagle, H. Williams, Jr. Culp, B. Beckner, Arrowwood.

**Third Event**  
1st, D. Oldfield, J. Beagle, F. House, A. Henry, Arrowwood.  
2nd, Ken Gillanders, L. Gehrie, H. Wilson, Don Gillanders, Mossleigh.  
3rd, R. Baker, M. Brunskill, L. Fiehl, L. Dunivan, Mossleigh.  
4th, J. Thurber, T. Percival, S. Meadows, D. Watson, Mossleigh.

### Mossleigh Home & School

The Mossleigh Home and School Association held the regular meeting in the High School on Jan. 14. Attendance was small due in part to the cold weather and in part to the men's bonsel. Mr. Buffam conducted a brief business meeting. It was decided to extend the hot lunch facilities to the senior rooms since they had been so well accepted by the younger children. There was some discussion on what to do with the old light plant. Nothing definite was decided. The room prize was won by Miss Fath's room. Mrs. McIlroy is arranging to bring the A.M.A. Safety films as soon as possible, perhaps at the next Home and School meeting.

After the business meeting, Mr. Kumlun of Vulcan showed pictures and gave a talk about his trip to Europe. Everyone found this most

interesting. Lunch was served by Mrs. Hill, Mrs. Gateman and Mrs. A. Tharlie.

Improvements on the skating rink include indoor bleachers where spectators may watch the skaters and hockey games indoors where it is warm.

### School Bonsel

The Arrowwood High School Bonsel sponsored by Arrowwood Students' Union was held Saturday, Jan. 24. Two teams were invited from each of Arrowwood, Gleichen, Milo, Vulcan and Mossleigh. Vulcan failed to put in an appearance, so the spiel took the form of an eight team draw. All teams consisted of two boys and two girls. The day was warm but the ice stayed in good condition.

Winners in the first event were: 1st, Milo A—Thompson; 2nd, Milo B—Phillips; 3rd, Mossleigh A—Green; 4th, Arrowwood B—Leadbeater.

Second event winners were: 1st, Mossleigh B—Gillanders; Second, Cluny B—Nobert.

### BRANT

"Pop" Murphy is a patient in the High River hospital.

Mrs. Fairbanks of Barnwell, visited with her daughter, Mrs. J. Nicholas last week.

Mrs. Neilson of Cardston is visiting her daughter, Mrs. D. Forsythe.

The Brant Square Dance Club elected officers with Ben Ballas, President; Ted Olsen, Secretary; Mr. and Mrs. Henry Bateman, Mr. and Mrs. Floyd Olsen and Mr. and Mrs. Lloyd Vian as conveners.

There was much excitement Saturday morning after an R.C.A.F. Harvard training plane crashed in Ed Auld's field. One of the men was fatally injured and the other suffered minor injuries and shock.

### RED CROSS

Mr. and Mrs. Arthur Cutforth and boys were Sunday visitors at the home of Mr. Cutforth's parents, Mr. and Mrs. F. Cutforth of Barons.

A. A. Gilles is a patient in the Vulcan hospital.

Mr. and Mrs. Victor Fulton and Laura were Champion visitors last weekend at the home of Mrs. Fulton's parents, Mr. and Mrs. Buehler.

Mr. and Mrs. John Schlerman and family accompanied by Mr. and Mrs. Sam Schlerman and family were visitors at Great Falls, Mont. last week.

George Fulton motored to Calgary on Saturday to get Mrs. Fulton and Lynell.

John Wolfe Jr., George Fulton, home of Mrs. Rushfeldt's parents, Allan and Pat Walker are curlers in the Champion bonsel this week.

Mr. and Mrs. Alvie Fulton were visitors at High River on Saturday. Olive and Joe Rushfeldt accompanied by Mr. and Mrs. Norman Love were guests last week at the western Ontario.

## A Few Questions To Ask The Printing Peddler ...

# ?

When the peddler selling stationery and printing supplies solicits your business, there are a few questions which he should be willing to answer to your satisfaction.

1. Does he pay taxes in this community?
2. Can he supply your order on short notice?
3. Does he donate space in the newspaper to your local community enterprises?
4. Does he pay wages to a force of employees located in Vulcan?
5. Does his newspaper donate its entire space toward the betterment and upbuilding of this community?
6. Does he grant you every favor that you would ordinarily ask of your local newspaper?
7. Does the quality of his merchandise stand inspection?
8. Does his price include postage and insurance charges?

If he can answer ALL the above questions in the affirmative, he has an equal right to your business

### ENSIGN

Mr. and Mrs. C. Mote and family were Lethbridge visitors on Saturday.

The Ensign Ladies' Aid held their monthly meeting on Wednesday afternoon at the home of Mrs. Atkins.

The friendly Bonspiel got off to a good start early Wednesday morning with six rinks taking part including one rink from Mossleigh Herronton, Brant, Vulcan and two local rinks. The first event was won by a local rink skipped by Bert Larsen, with Dave Paton, Gerry Mooney and Eric Brown. They defeated the Mitt Brunskill rink of Mossleigh. The second event was won by the Herronton rink skipped by Mel Malmberg, with Swartz, J. McNiven and J. Green, defeating the Ed Kehr rink of Vulcan. Due to the warm weather the ice got quite heavy during the afternoon but they managed to keep going till the end.

Earnest Reed is home from school this week with the Chicken Pox.

Doug Zebeden is in the High River Hospital where he underwent an operation on Monday. A speedy recovery is expected to him.

Jackie McFadden is also at home with the Chicken Pox.

Mr. and Mrs. Lorne Healy and family were Sunday visitors at the C. Mote home. During the afternoon they had a friendly curling game.

Mr. and Mrs. Curly Collison and family were Calgary visitors on Saturday where they visited with their son Clarence who is in Calgary receiving medical treatment.

Mr. and Mrs. Elmer Mac and Thelma, all of Nanton were Sunday guests at the Collison home.

### EASTWAY

Mrs. Bennett, who has been visiting her daughter, Mrs. W. Burgess returned to Bowden on Sunday by motor with W. Burgess.

Members of the Eastway Club are reminded to please return ticket stubs at the next meeting. Mrs. Bertie Oldfield will be hostess on Feb. 12. All former members of the Eastway Ladies Social Club are considered honorary members and are most welcome to visit the meetings any time they can conveniently do so.

Mrs. N. Johnson, Harold and Sibert, Mr. and Mrs. W. Holton were Calgary visitors last week. They were accompanied home by Mrs. Johnson's brother-in-law, S. Myhre of Calgary, who spent a few days at the Johnson home.

Other recent Calgary visitors include Mr. and Mrs. Orio Doane, Mr. and Mrs. Archie Oldfield, Mrs. Clara Tharlie, Mr. and Mrs. Gordon Laycraft, Mrs. Ethel Grondin and Bill Crossfield.

Mrs. Cockwill and Grace moved into their new house last week. Shirley Burgess won a contest on Universal Musical Telequiz.

### MILO

Did you ever see a news column that could get in such a mess as this one can? First of all the Russian Thistle Flyer doesn't get the writing to Calgary on Tuesday in time for it to get back to Vulcan to meet the deadline on Wednesday. Then when I do get a chance to get it to Calgary early, John brings it nearly home before he mails them. Then when the belated column finally does make it to the office, the machinery breaks down and all we get in that week's paper is an apology and a line of malarky from the editor. We'll forgive you this time but don't let it happen again, Mr. Munro, sir.

Now this time you are going to be able to read all the news that can be gathered before a word about curling appears. So if you don't like the sport and what is more, don't want to read about it, this time you can quit reading before you come to it.

Miss Loretta Peterson has quit school and is to begin work in the bank in the very near future. How can you quit school now, just when you have such a lovely building to work in and with such a large group of teen-agers to mingle with? To each his own they say, but I for one can't understand it.

Many congratulations are extended to Mr. and Mrs. Bert Clemmons on their recent marriage by friends and neighbors from this section of the Milo district. May your stay be a long and happy one in this community. Betty, and a sincere welcome is extended to you.

We are sorry to learn that Con Peterson has been confined to the Vulcan hospital for several days. A very speedy recovery is wished for him.

Mr. and Mrs. Gordon Ivers spent the weekend at Dalemead visiting at the home of Mr. and Mrs. Frank Winkler.

Dean Gilliland who has been serving with the American army in Korea, arrived in Seattle last Friday. He immediately got leave

friends and relations. It is hoped that next week a story might be obtained through an interview with him on the conditions that the armed services are facing in Korea.

Mrs. Rhona Niemi of Lethbridge is back cooking for the men working on the school for the Oland construction company. She was here in Milo all summer and fall, leaving at Christmas to take up her duties in her own home. Now she is back for the remaining time that it takes to complete the school.

The Milo Home and School held a meeting last week with Mrs. Desharnais presiding. There was a very large attendance and an interesting and successful meeting was held. It has been left up to the Home and School to furnish a stove for the snack bar off the auditorium and also chairs and occasional tables for the teachers lounge. The snack bar itself is really a work of art. A sliding door opens from the top of the counter connecting the bar with the main auditorium. Built in cup boards have been constructed and the room is complete with a sink and all facilities but the stove. A drive for money for this purpose and for the lounge will be made throughout the community. Maybe you don't belong to the Home and School or maybe you have no children in the school at the present time, but if the county can supply our community with as beautiful a building as this one is, surely we can supply those few items that are still needed. Another meeting of the Home and School will be held on Feb. 21 when a Travelogue will be shown. Everyone is invited to attend and to view the new school at this time. This drive is a community effort, so the effort of the community is needed.

Seem to have run out of all other news so this is the place where we bid you non-curling enthusiasts farewell. The rest of the column, unless something unforeseen happens, will be devoted to curling news. The fourth annual men's bonspiel has just been completed and very successfully too. Thirty-four rinks took part, 14 of them being outside rinks and the rest being made up of local rinks. The 'spiel started on Monday and was not finished until Friday night. The results of the games came out as follows:

First in the Calgary Herald event went to the Gore rink of Swallow. Playing lead on this rink is Ed Gurlitz, second Harris Webb, third Bill Waldron and skip Wes Gore. Second in this event was the Morris Flick rink of Mossleigh, third the Lloyd Armstrong rink of Milo and fourth, the high school rink skipped by Robby Thomson.

First in the Calgary Power event was the Flick rink of Mossleigh. Playing lead on this rink was Jack Dalgarno, second George Cristy, third Larry Androssoff and skip Jack Dalgarno. Second in this event went to Con Peterson of Milo, third, the high school rink from Milo, fourth the Gore rink of Swallow.

First in the consolation event was the Heather rink of Milo. Playing lead was David Deltz, second Donald Deltz, third Ian Thomson and skip Hap Heather. Second in this event was won by the Stan Kehr rink of Vulcan, third Chester Anderson and fourth Harold Thomander, both of the latter being of Milo. During only one day was the ice sticky and this in spite of the warm weather then in effect part of the time.

The Ladies' Curling Club served lunches, refreshments and meals during the whole 'spiel. The executive of this organization wish to take this opportunity to thank all those who assisted in any way in making a success of this undertaking. A net profit of \$277.18 was made on the first mixed bonspiel and \$148.47 was gained on this last effort. These funds are to go towards finishing the kitchen. Many thanks too to Mrs. Irene Johnson and Mrs. Vic Bertrand for the gas stoves which they donated for use in the rink.

During this last bonspiel a very good example was given of the enthusiastic support given this old Scottish game when three of the residents of the town who are well over eighty years of age went down to the rink and watched some of the games. They were Messrs. Goldthorpe, Anderson and Phillips and they got just as excited as anyone when the games got close.

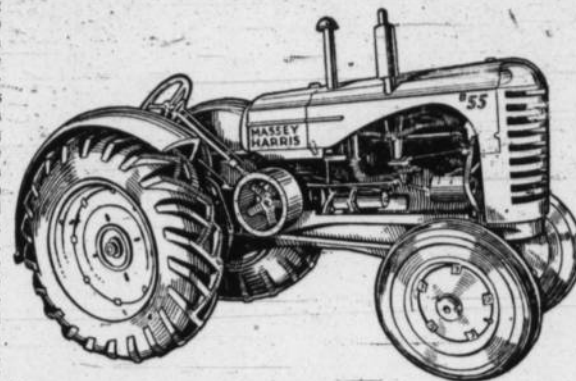

Two teams from Milo attended the high school bonspiel in Arrowwood last Saturday. It seems there were just two events and as one team could only be in one event it looks as if our kids made out alright. First in the first event was the team skipped by Robby Thomson and second in the first event was the team skipped by Murray Phillips. Phillips and Thomson played off and Phillips was edged out by two points.

If the Lord won't have you  
The devil must.

## Record Wheat Yield

A wheat yield of 130.7 bushels to the acre was achieved this year by three brothers, John, George and William Turrell on their farm in Norfolk County, 90 miles north of London, England. This yield is claimed as the all-time world record.

The Turrell brothers farm 220 acres of land. On this farm there are 9 acres of deep silt fenland which had never been in wheat until a year ago. Once sea bottom, the land had been pastured from pre-Roman times until the end of the last century. Then it became an apple orchard until 1937 when

the old trees were cleared off and the land planted to peas, sugar beets and early potatoes in rotation. It had two dressings of barnyard manure. In the spring of 1951, 1,680 lbs. of chemical fertilizer was applied on each acre and a bumper potato crop taken off. In October of last year the land was plowed 20 inches deep and an extra strong stem variety of winter wheat called "Hybrid 46" was seeded. Last spring when the heads began to form they were half as big again as the largest heads that the Turrell brothers had ever seen. If rains had occurred the crop would have been flattened, but the weather stayed dry from the time the heads came out to the sheath until the crop was harvested.

The average yield of wheat in Great Britain is just under 40 bushels to the acre. In the United States the 1951 crop averaged 16 bushels an acre. The average yield in Alberta is 18 bushels to the acre. —Wheat Pool Budget.

Wild rice, primarily a food for wild fowl is becoming more and more popular among gourmets. It is now being cultivated for mass harvest in Manitoba and north-western Ontario.

A Canadian department store sales dollar breakdown shows that 18 cents goes for wages. Next biggest item is 14 cents for taxes.
